

Chesterfield Basketball Club

December 2025 Newsletter

As we now start to wind down ahead of the Christmas/New year break, lets take a look back through November and what is coming up for the remainder of this year.

Funding and sponsorship

We are still on the look out for sponsors, we once again want to take the time to give a massive thanks to Brae Transport Ltd, Millock Construction, Malhi Foodstores and of course, Sport England with our incredible movement fund.

As we go into 2026, we look to grow our club and reach more people, if you can help in anyway or know of a company who could join us on this journey then please reach out.

Chesterfield senior team look to bounce back from a disappointing result

On the 7th of November, Chesterfield's senior team made the trip up to Barnsley to play against a tough Kingstone Knights. Despite us taking a 15-13 Q1 lead, Knights experience shined through and we were simply beat by the better team on the night 64-27. The team have been putting in the extra work in training and we look to bounce back strong in new year as we seek more opponents on our run up to joining the competitive league in the 26/27 season.

Juniors back

Unfortunately, due to hall cancellation, our juniors had 3 of their sessions cancelled in November due to school exams taking place in the sports hall we use. Sadly, an alternate venue could not be found which was disappointing all round. We accept this will likely be a reoccurring issue during exam seasons and we will do our best to mitigate the issue but unfortunately there may be weeks where it is not possible to run a session. The junior sessions do return WC 1st of December.

Kits

Our 2nd batch of kits will soon be here and we will soon be putting out the order form for our 3rd batch so if you are interested then please do reach out and we will let you know when they are available to order again. Anyone playing in the competitive team will be expected to purchase a kit in 2026.

Club survey

If you haven't already, please take some time to fill in our first club survey which is available on our social pages and has been posted in the clubs whats app groups. Jordan will be doing a live session on Facebook on Friday 12th of December to go over feedback and discuss in detail, this will also be a chance to come along and chat/ask questions.

Coming up

Our seniors final session of the year will be on Wednesday 10th of December and our juniors final session will be Saturday the 13th of December before taking a break for the Christmas and new year window. Our seniors will resume Wednesday 7th of January and our Juniors on Saturday 10th of January.

Our seniors next game will be on Monday 5th of January as we play our 4th game of the C.A.S Invitational Cup at The Canon Medical Arena (Home to Sheffield Sharks)- More details on this will be announced late December.

Thank you!

May we take this time to wish you and your families a wonderful Christmas and Happy new Year. We also want to thank you all so much for your support in which we have seen over 110 different people attend our club sessions over this last 6 months, some of which have stuck by and are weekly regulars, some who come when they can and some who we haven't seen for a while. All of which is absolutely fine, we want to keep welcoming people whether its your first time or you have been with us since day 1, the club doors will always remain open when we are training and as we expand there are exciting plans ahead which will be announced early in 2026. When Jordan formed the club, it was never anticipated just how well this would take off and there is often a very much "pinch yourself" moment applied. Hard work, tears and a lot of time was put into getting the club up and running but it is ultimately you, the members and everyone who has attended our sessions since our launch who make the club what it is, without you and your support, we could not run so a real sincere thank you from the bottom of our heart!!!

Please don't hesitate to get in touch if you have any queries and please keep an eye out as always on our social media pages and whats app groups for any updates.
